Salah Mansour Salem

ABOUT ME

Civil engineer, graduated from Zagazig university in Egypt, 1995. Dependable and a quick learner who seeks experience and knowledge. Energetic and eager to learn new skills. Can build an excellent relationship with coworkers and team members. Always looking for challenges to overcome in order to go beyond my limits.

EDUCATION

BACHELOR DEGREE

1990 - 1995

Faculty of civil engineering in zagazig university.

GRADUATION PROJECT

Concrete

DISSERTATION PROJECT

Design for concrete structures for towers and dams

EXPERIENCE:

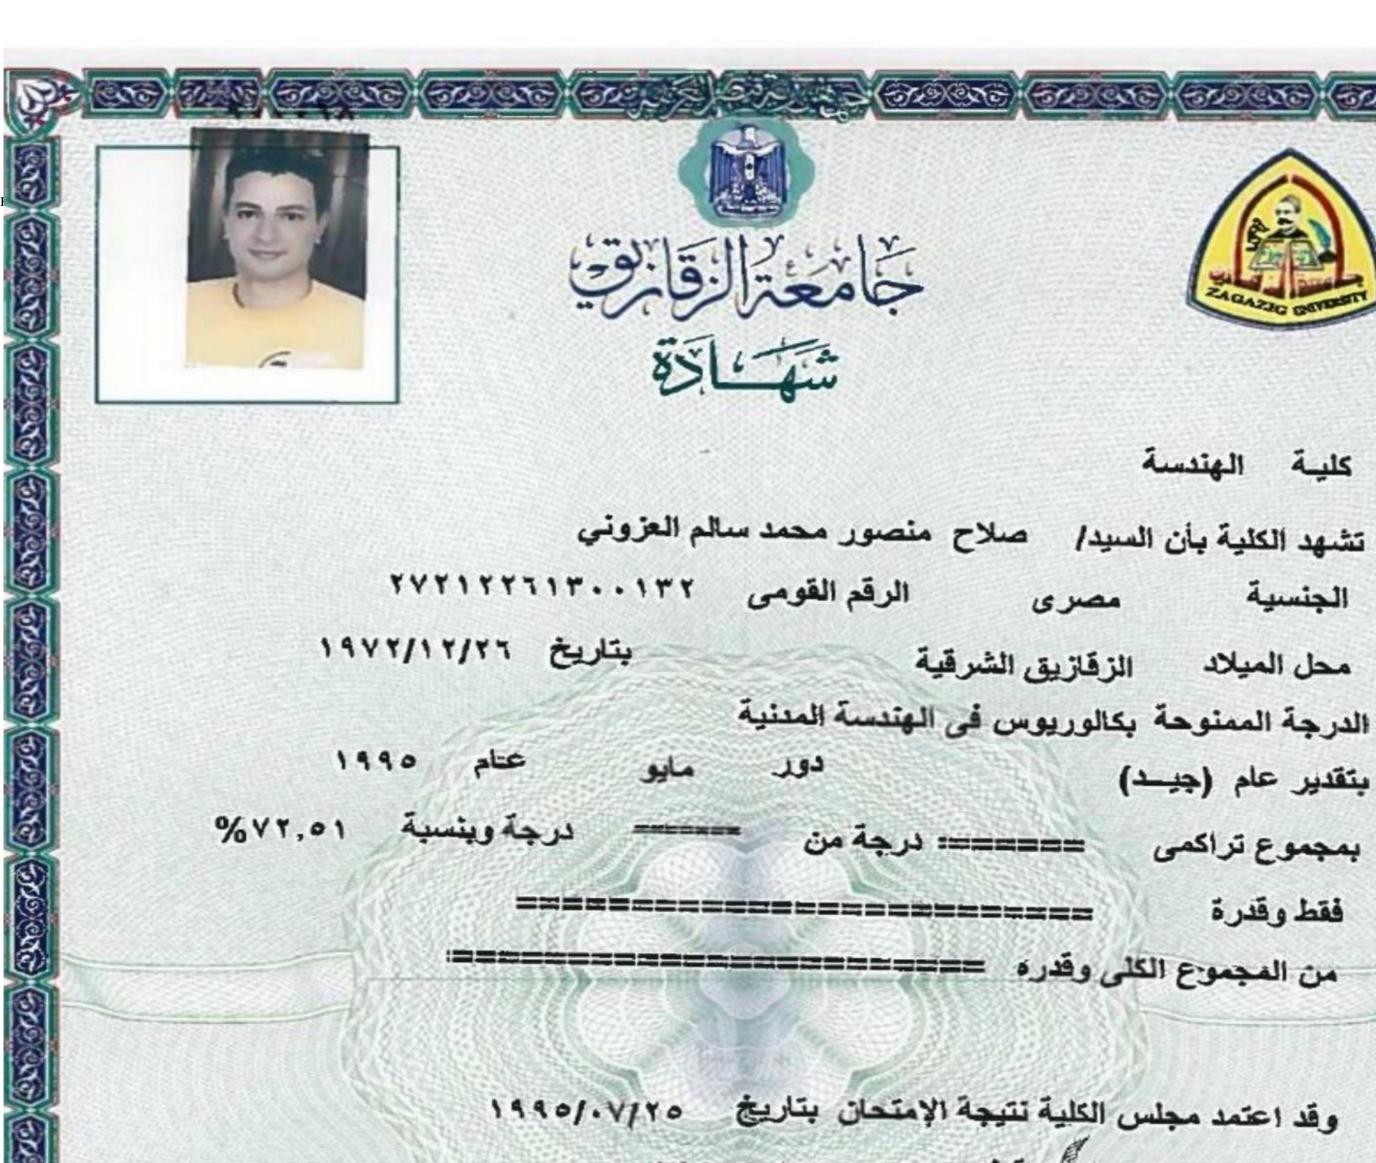

Trained at:

Architectural group construction company.

I traveled Jordan, Syria and Lebanon for student cultural exchange to Cairo university for construction training.

WORK EXPERIENCE

- I worked for six years with the Architectural Group Company for Construction and twenty years with the Salah Salem Company for General Contracting and General Supplies
- -Huge projects assigned by the armed forces were supervised, including the rowing club in the Suez Governorate, the establishment of covered halls for sports and weddings, and the Al-Zohour Beach tourist village in Ain Sukhna, raising the efficiency of Maadi Military Hospital, supervising the construction of Ajrud Hospital in the Third Field Army, and construction of all camps, brigades, and military housing in the Third Army, the northern and central regions. And swimming pools in Al-Shuhada Stadium in the Houd Al-Dorsa area in Suez, the construction of water tanks for water management in the Highstep area in Cairo, and the construction of residential buildings for the Urban Communities Authority in Dar Misr Al-Karunfol
